3rd CryoNET Symposium New Directions in Cryo-EM Research

Online via Zoom on
October 12-13, 2020

The 3rd Annual CryoNET Symposium (online) will, through a panel of distinguished speakers, highlight **the latest discoveries** facilitated by **cryo-EM research** and **new directions** that are emerging.

Students and postdocs are encouraged to apply to give talks.

CryoNET is funded by the Novo Nordisk Foundation and the Knut and Alice Wallenberg Foundation. The core of the network is the Cryo-EM facilities at University of Copenhagen, Aarhus University, Stockholm University and Umeå University.

ORGANISERS: Poul Nissen
Ebbe S. Andersen
Thomas Boesen
Jesper L. Karlsen
