LEAD2

Universities need to produce top-level research and education and innovative academic leaders to meet the needs of the global knowledge economy & the networked society

**Diversity in higher education governance
remains a major hallmark of higher education
institutions**

**Universities face challenges, such as
autonomy, accountability,
leadership, strategic planning,
professional management and
funding**

Governance

Leadership

Higher education: Academic Leadership

Academic Leadership

If your actions inspire
others to dream more,
learn more, do more
and become more,
you are a leader.
