OPEN INTERNATIONAL WEBINAR

How to strengthen internationalization in teacher education post-Covid-19.

MONDAY

13

december
2021

Time 15.00-17.30 CET

Considering the new education reality posed by the pandemic, how can we understand internationalization in teacher education? Which alternative ways for teacher mobility have emerged and what is their impact? And what does it eventually mean to be a European teacher post-Covid-19? The webinar is organised as part of the PHC AMADEUS project «Teacher Educators' Professional Development in an International Context».
