

AUSBI Membrane Afternoon

Thursday September 26th, 2024, from 12:30-16:30

“Nucleus” auditorium (1871-120), Dept. Molecular Biology and Genetics, Aarhus University

This informal meeting aims to bring together researchers at all levels and across departments at Aarhus University, who are interested in membranes and membrane protein research.

The wish is to facilitate networking, exchange of experience and knowledge, and provide a catalyst for collaboration.

Program

- 12:30: Coffee & poster hang-up (outside auditorium 1871-120)
- **13:00 Introduction by AUSBI steering group member**
- **13:05 Introduction to membranes and membrane protein research at Aarhus University by organizers**
- **13:25 Focus talk by invited speaker: Fulvio Reggiori, Dept. Biomedicine (20min+10min Q&A)**
- 13:55 Break with coffee and cake (20 min)
- **14:15 Focus talk by invited speaker: Steffen Sinning, Dept. Forensic Medicine (20min+10min Q&A)**
- **14:45 Plenum discussion / open forum (10 min)**
- **15:00 Flash slide talks introducing posters (max 2 min each)**
- **15:30 Poster session (outside auditorium 1871-120)**
- 16:00 Pizza and drinks available (in the MBG canteen)
- **16:15 Possibility to see the MBG BioPhysics and Biochemistry Core Facility (1874-652 & 1874-639)**
