

# AUSBI Nucleic Acid Afternoon

**Friday November 29<sup>th</sup>, 2024, from 12:30-16:30**

iNANO Auditorium (1593-012), Gustav Wiedes vej 14, Aarhus University

## Open invitation

This AUSBI Nucleic Acid Afternoon welcomes all researchers across departments at Aarhus University, with an interest in structural and biophysical analysis of nucleic acids.

The aim is to share experiences with techniques relevant to nucleic acids under the AUSBI umbrella, as well as gather ideas for the future of nucleic acid structural biology.

## Program

- 12:30 Coffee & poster hang-up (outside auditorium 1593-012)
- **13:00 Introduction of meeting by organizers**
- **13:10 Talks by AUSBI researchers on various techniques**
- **13:40 Poster flash talks by participants** (2 min each)
- 14:00 Break with coffee and cake
- **14:20 Talks by AUSBI researchers on various techniques**
- **14:50 Poster flash talks by participants** (2 min each)
- **15:10 Future of nucleic acids structural biology**
- **15:30 Poster session and pizza** (outside 1593-012)
- 16:30 Thanks for today

## Registration

Registration link: <https://events.au.dk/ausbinucleicacidafternoon>

Please register by Monday November 25<sup>th</sup> (due to catering).

Registration is free of charge, and open to everyone interested.

*Register here* →

### Meeting organizers

Pablo Alcón Hernández, Dept. Molecular Biology and Genetics

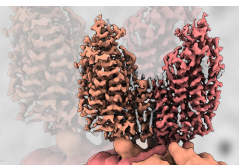

Ebbe Sloth Andersen, iNANO

Jørgen Kjems, iNANO

Ditlev E. Brodersen, Dept. Molecular Biology and Genetics
