

The Center for the

History of Global Development International Center for Drug Policy Studies – Department of History of Shanghai University

Workshop

Integrating Histories of Development: the Good, the Bad, and the Joined

<u>4 – 5 November 2023, 9 am – 5 pm</u> College of Liberal Arts, Room 306

Never before in human history have people around the world lived longer, healthier and richer lives. And never before have they destroyed more of the natural environment for present and future generations in the process.

Michelle Mart Penn State Berk

Madhu Miranda House, Delhi

Liu Yi SHU

Rohan D'Souza Kyoto University

Matthias Heymann Aarhus University

4 November

Welcome: Zhang Yong-an (Shanghai University)

Iris Borowy (Shanghai University)

9.00

9. 15

Temporality in Assessing Development Introductory Discussion 10.15 Coffee Break 10.45 Panel 1: Food Michelle Mart (Penn State Berk) The Perils of Abundance: The Unintended Consequences of Plentiful Food in the Modern United States Madhu (Miranda House, University of Delhi) From Plate to Palate: Food, Nutrition and Caste in India 11.45 Lunch (Yi-Xin Canteen) 2.00 Panel 2: Concepts of Modernization in the Philippines Jerome Christopher Flores (University of the Philippines Diliman) Temporality and Urban Development: Local Perspectives on the Construction of New Clark City in Capas, Philippines Jonel Maria Caba / Juvanni A. Caballero (Iligan Institute of Technology) Agus-Pulangi Hydropower Development in Southern Philippines: In-between Contestation and Transformation 3.30 Coffee Break 3.45 Panel 3 (Online): Inter-regional Connections Frank Gerits (Utrecht University) Pan-African Development in Ghana (1958-1980s) Justine Philipp (Birmingham University) Monoculture: The rise (and fall) of almond orchards in the irrigated desert regions of California and the Australian Mallee		In the Long Run We are All Dead – Some Thoughts on

6.00 Dinner	6.00	Dinner

5 November

9.00	Panel 5: Social Changes in Asia
	Liu Yi (Shanghai University)
	Religion in the Discourse of China's Development
	Paulo Vicerra (Shanghai University)
	Age-friendly Development and Long-term Care: The
	Southeast Asian Context
10.30	Coffee Break
10.45	Panel 6: Gathering Resources in Colonial Settings
	Matthias Heymann (Aarhus University)
	Pioneering Global Fat: Aarhus Oliefabrik and United
	Plantations Company
	Nick Ferns (Monash University)
	A Complex Legacy: Phosphate Mining and Colonial
	Development in Nauru
12.15	Lunch (Canteen, Eastern Campus)
2.00	Panel 7 (partly online): People
	Odinn Melsted (Maastricht University)
	Developing Third World Oil Fields: Maurice Strong, the IEDC,
	and the Plan to Turn Oil Importers into Producers, 1979–1983
	Rohan D'Souza (Kyoto University)
	Reflections on some 'Anti-Heroes' of Science and Technology
	in Decolonizing India
3.30	Final Discussion

Opportunity for dinner downtown (at private cost)
