

# 4th CIRCUL-A-BILITY CONFERENCE

Re-thinking Packaging for Circular & Sustainable Food Supply Chains of the Future

11.-13. September 2024, Aarhus, Denmark

## DAY 1 - 11 SEPTEMBER 2024

8:30-9:00	REGISTRATION	
9:00-10:40	<b>OPENING SESSION</b>	<b>Chair: Giancarlo Colelli, Co-Chair of Circul-a-bility, Universita'di Foggia, Italy</b>
9:00-9:10	WELCOME	Giancarlo Colelli, Universita'di Foggia, Italy
9:10-9:20	What is sustainable food packaging. The Circul-a-bility definition	Milena Corredig, Chair of Circul-a-bility, Aarhus University, Denmark
9:20-10:00	Keynote: A circular economy for plastic packaging	Bahar Koyuncu, Ellen MacArthur Foundation
10:00-10:40	Keynote: Adapting to change: Achieving sustainability through life cycle perspectives in packaging systems.	Rafael Auras, School of Packaging, Michigan State University, USA.
COFFEE BREAK		
11:15-12:25	<b>SESSION 1 BIO-BASED PACKAGING (1)</b>	<b>Chair: Marit Pettersen, NOFIMA, Norway</b>
11:15-11:45	Invited talk: Review and assessment of fully molded cellulose (paper) bottle production technologies.	Alexander Bardenstein, Danish Technological Institute (DTI), Denmark
11:45-12:05	Contributed talk: Cellulose-based trays with PE for fresh food packaging applications: A case study on modified atmosphere packaging (MAP) of fresh meat	Agnete Jordhøy, NOFIMA, Norway

# 4th CIRCUL-A-BILITY CONFERENCE

Re-thinking Packaging for Circular & Sustainable Food Supply Chains of the Future

11.-13. September 2024, Aarhus, Denmark

12:05-12:25	Contributed talk: Biodegradable PVOH-based barrier coatings on kraft paper for sustainable food packaging applications	Paola Scarfato, University of Salerno, Italy
LUNCH BREAK, POSTER SESSION and NETWORKING		
13:25- 14:25	<b>SESSION 2 BIO-BASED PACKAGING (2)</b>	<b>Chair: Fatima Pocas, Universita Catolica Porto, Portugal</b>
13:25-13:55	Invited talk: Innovative approaches to valorizing food side streams: Transforming Swiss waste into sustainable packaging materials	Selcuk Yildirim, Zurich University of Applied Sciences, Switzerland
13:55-14:15	Contributed talk: Foodwaste for foodpack: a model to convert residues from food industries into a packaging solution	Fabiola Vilaseca, University of Girona, Spain
14:15-14:35	Contributed talk: Innovative sustainable food active packaging films through bioactive pectic polysaccharides from agricultural waste valorization	Esther Rincón, Universidad de Córdoba, Spain
COFFEE BREAK, NETWORKING and POSTER SESSION		
15:15-17:35	<b>SESSION 3 CIRCULARITY, ECO-DESIGN AND END OF LIFE</b>	<b>Chair Milena Corredig, Aarhus University</b>
15:15-15:45	Invited talk: Turning challenges into opportunities: Food-centric approach for compostable bioplastic packaging	Ilke Unalan, Aarhus University

**4th CIRCUL-A-BILITY CONFERENCE**  
 Re-thinking Packaging for Circular & Sustainable Food Supply Chains of the Future  
 11.-13. September 2024, Aarhus, Denmark

15:45-16:15	Invited talk: Spectroscopic techniques enablers of sustainable food packaging	Begonya Marcos Muntal, IRTA, Spain
16:15-16:35	Contributed talk: Re3-Plast; Reduce, Reuse and Recycle - a new Green Platform project	Marit Kvalvag Pettersen, NOFIMA, Norway
16:35-16:55	Contributed talk: Barriers to food safety and traceability	Mahak Sharma, University of Twente, Netherlands
16:55-17:15	Contributed talk: Strategies for future decarbonized food cold supply chains	Igor Karlovits, Danfoss Power Solutions, Denmark
FREE EVENING		

# 4th CIRCUL-A-BILITY CONFERENCE

Re-thinking Packaging for Circular & Sustainable Food Supply Chains of the Future

11.-13. September 2024, Aarhus, Denmark

## DAY 2 - 12 SEPTEMBER 2024

08:15-08:45	REGISTRATION	
<b>08:45-09:55</b>	<b>SESSION 4 STUDIES ON SUSTAINABLE FOOD PACKAGING</b>	<b>Chair: Begonya Marcos, IRTA, Spain</b>
08:45-9:15	Invited talk: Sustainable packaging for meat and fish products	Paula Quinterio, University of Aveiro, Portugal
09:15-09:35	Contributed talk: Vegan edible coatings based on fresh produce waste with active properties for preserving perishable fruits	Luana Carnaval, Technological University Dublin, Ireland
09:35-09:55	Contributed talk: Multi-dimensional sustainability assessment (MuDiSa); coffee packaging examples	Maxence Paillart, Wageningen Food & Biobased Research, Netherlands
COFFEE BREAK		
<b>10:30-12:00</b>	<b>SESSION 5 SAFETY OF FOOD PACKAGING</b>	<b>Chair: Matthijs Dekker, Wageningen University</b>
10:30-11:00	Invited talk: Sustainability and risk assessment	Cristina Nerin, Zaragoza University
11:00-11:20	Contributed talk: Migration of non intentionally added substances in packaging of fresh cut vegetables	Sandra Pati, University of Foggia, Italy
11:20-11:40	Contributed talk: A study on migration from cork-polypropylene composites	Fatima Pocas, Universidade Católica Portuguesa, Portugal
11:40-12:00	Contributed talk: Chemical food safety and hazard assessment of a circular mono-plastic material film with improved barrier properties	Bina Bhattarai, Technical University of Denmark, Denmark

LUNCH BREAK, POSTER SESSION and NETWORKING		
<b>13:00-14:40</b>	<b>SESSION 6 MARKETING AND CONSUMER SCIENCE</b>	<b>Chair: Krisztina Dornyei, Hungary</b>
13:00-13:30	Invited talk: It is a matter of fairness: How partitioned pricing strategies can shift preferences for reusable food packaging	Polymeros Chrysochou, Aarhus University, Denmark
13:30-14:00	Invited talk: Consumer behavior results for a reuse packaging project in Finland	Angelos Balatsas Lekkas, University of Vaasa, Finland
14:00-14:20	Contributed talk: Research to reality: survey and focus group analysis of starch-protein blend bioplastics—exploring applications and public perception	Jade Stanley, South East Technological University Carlow, Ireland
14:20-14:40	Contributed talk: Insights into sustainability benchmarkings for food and non-food packaging in the dach region	Michelle Klein, University of Applied Sciences Vienna, Austria
COFFEE BREAK, NETWORKING and POSTER SESSION		
<b>15:30-18:00</b>	<b>SESSION 7 REUSE</b>	<b>Chairs: Polymeros Chyrsochou, Aarhus University &amp; Selcuk Yildirim, Zurich U Applied Science</b>
15:30-16:00	Invited talk: How to make reuse systems the new normal?	Fernando Rodriguez-Mata, New European Reuse Alliance
16:00-16:30	Invited talk: Transparency in Reuse: Environmental impact of our large-scale Reuse System with verified data	Davide Mazzanti, CEO Einfach Mehrweg
16:30-17:30	Panel- Perspectives on reuse	Jeanette Morath, ReCIRCLE Diana Schiffer, LCA Center Simon Rossau, City of Aarhus

		Adam Johannsen, Coop Fernando Rodriguez-Mata, New European Reuse Alliance
17:30-18:00	Q&A and discussion	
<p><b>CONFERENCE DINNER</b> Place: Spise Lauget, Aarhus, 20:00 “Rotake Reusable” project in Aarhus - Simon Rossau, Aarhus Municipality</p>
