## CitizenLab understøtter den fulde cyklus for borgerinddragelse

### Engager

En komplet værktøjskasse til borgerinddragelse i jeres kommune

### Administrér

I kan nemt administrere projekter og input fra lokalsamfundet på én central platform

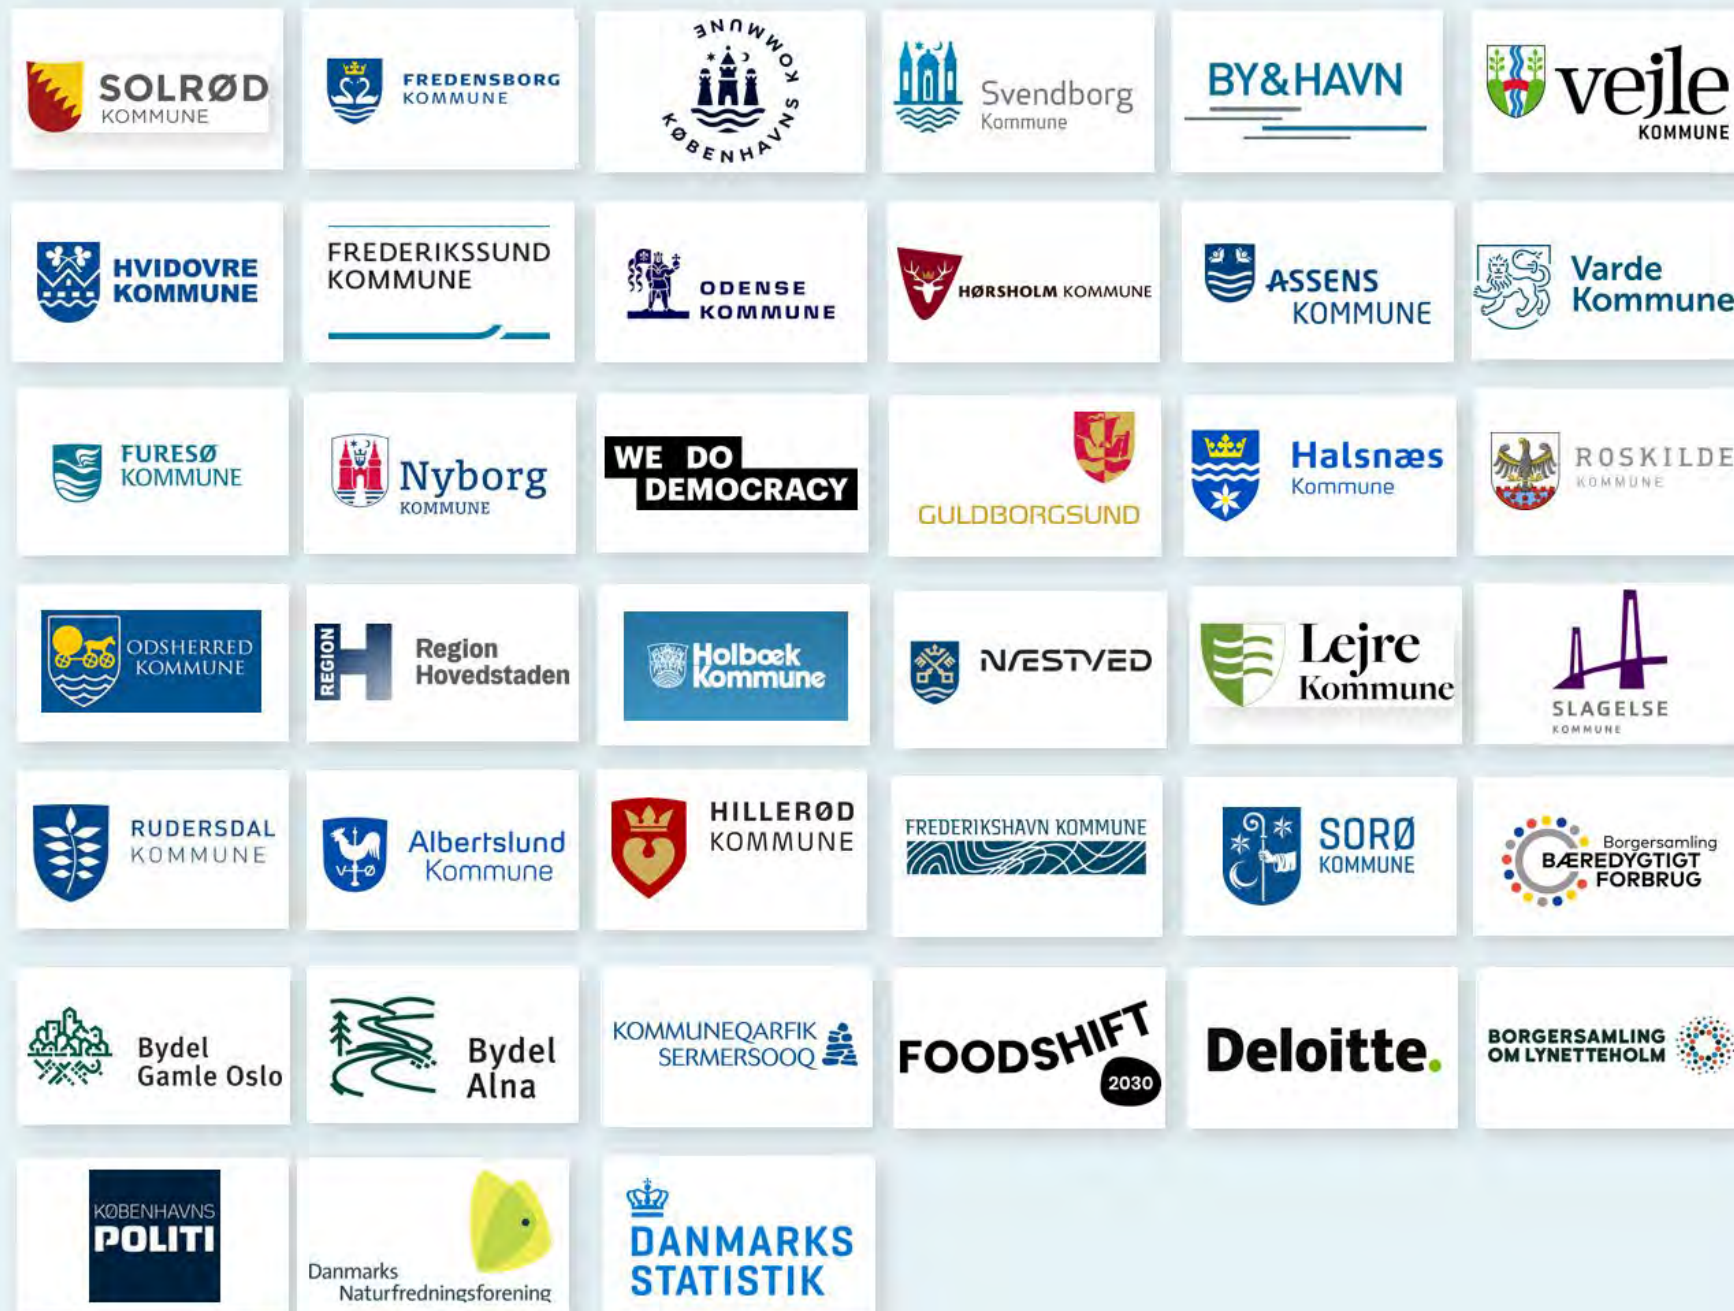

### Beslut

Vores Insights-værktøjer skaber datadrevne rapporter ud fra borgerinput til støtte for kommunens beslutninger

# Udviklingen i Danmark siden starten af 2020

Internationalt har vi arbejdet med **430+** byer og kommuner

# Fremtiden er 360 grader blandet borgerinddragelse

Noget af det vigtigste for at få success med jeres borgerinddragelse er **opbakningen** fra jeres **ledelse** og et **stærkt team** til at implementere og drive platformen.

Vores to nye **guides** bygger på erfaringer fra 430+ kunder.

Kig forbi os om lidt, så vi kan sørge for, at I får dem begge.

## Ledelsens opbakning

## Det rigtige team
